
ChemDraw Professional installation manual

Made for Scheikunde/Chemistry students of the UvA/VU

© Study Association | Amsterdams Chemisch Dispuut (ACD)

Made by: Jelle Hofman on June 19th, 2017
(Commissioner of Education and PR, 71st board)

I. Introduction

Welcome to this manual created to help you install the essential program ChemDraw Professional. You will use this program during your bachelor Scheikunde and Master Chemistry at the UvA/VU to draw molecules for presentations/reports/thesis etc. Good Luck!

II. Create an account

Go to Google.nl and search for 'Chemdraw'.

The screenshot shows a Google search page with the search term 'chemdraw' entered in the search bar. Below the search bar, there are navigation tabs for 'Alle', 'Afbeeldingen', 'Video's', 'Shopping', 'Nieuws', 'Meer', 'Instellingen', and 'Tools'. The search results show approximately 630,000 results in 0.34 seconds. The top result is from PerkinElmer Informatics, titled 'PerkinElmer Informatics ChemDraw and ChemOffice 16', with a URL 'www.cambridgesoft.com/software/overview.aspx'. The snippet below the title states: 'ChemDraw® and ChemOffice® 16 deliver all the functionality of version 15, plus new feature additions to accelerate research even faster. Plus, new bundle ...'. Below the snippet are links for 'ChemDraw Prime', 'ChemDraw Professional', and 'ChemOffice Professional'.

Click on the result that is shown above.

The screenshot shows the PerkinElmer Informatics website page for ChemDraw and ChemOffice 16. The page features a navigation menu with categories like Chemistry, Biology, QA/QC, Data Analytics, Services, Support, About, and Contact. A search bar is located at the top right. In the upper right corner, there are buttons for 'REGISTER' and 'LOGIN', with the 'REGISTER' button circled in red. The main content area includes a header for 'INFORMATICS FOR BETTER SCIENCE' and a section titled 'ChemDraw and ChemOffice 16'. The text describes the latest release of PerkinElmer's scientific productivity software, highlighting new features and bundle options. There are three buttons: 'Download ChemDraw Trial', 'Purchase In Scistore', and 'Request Information'. On the right side, there are sections for 'Related Info' (Trial Software, All Product Literature, ChemDraw 16 Flyer, ChemDraw Direct FAQ, ChemDraw Direct Flyer), 'Watch Webinar Videos' (Come for a preview as Elements® ELN becomes Signals™ Notebook by Joshua D. Bond, From Formulation to Insight by Pierre Morieux, Unlock the power of your research with new Notebook features by Ben Bracke, PhD.), and 'Read Informative Articles'.

Click on the button register in the right upper corner.
